

PATH - WAYS
Providing Access To Happiness

Greetings,

On May 5, 2018, **PATH-WAY** *Providing Access to Happiness* is hosting its annual Fundraiser at the Hilton Hotel in Dedham. The event will include a dinner, auction and a keynote presentation from guest speaker Patrick Downes. Patrick is a survivor of the Marathon Bombing and is a strong advocate for inclusion for individuals with disabilities.

PATH-WAY is a 501(c) 3 non-profit organization, which provides inclusive accessible events to individuals with varying degrees of abilities. Our events provide individuals with disabilities opportunities to join together at wheelchair accessible venues and enjoy social and networking opportunities. Last year, we provided individuals with disabilities the chance to gather together for game nights, movie nights, adaptive recreational events to include sailing, ice skating, and lawn games.

PATH-WAY also provides an annual Scholarship of \$1000 to a student with a disability pursuing a post-secondary education.

Our continued success depends on individual and corporate donations. Please consider joining with us in support of our mission to "elevate the lives of individuals of varying abilities." We would welcome the chance to showcase your support for our mission in the form of a sponsorship.

We anticipate over 100 people attending this event. If you choose to support us your company will be recognized at the event as well as on our webpage. The following page lists some sponsorship options.

If you are interested in sponsoring **PATH-WAY**, please give us a call, email or simply mail your contribution to the address listed below. Donations and sponsorships can also be completed online at www.path-way.org. Feel free to contact us with any additional questions. Thank you for your time.

With sincere appreciation.
