Greetings,

Thank you for making our annual fundraiser a HUGE success. We reached an all time high number of attendees with over 80 individuals joining us in celebration. This wonderful support is so greatly appreciated and generates momentum for the continuation of our mission.

Mark Perry, a supporter and participant of PATH-WAY gave a heartfelt speech of his experiences navigating life as an individual with a disability. Mark suffered a spinal cord injury in 1974 at the age of 15. He works closely with the Greater Boston Chapter of the United Spinal Association mentoring individuals who have newly acquired spinal cord injuries. I can't thank Mark enough for his willingness to share his story.

A giant thank you goes to **PATH-WAY's** president, Bob Purcell, who took on multiple roles to ensure a successful night. He was not only our emcee and auctioneer, but also lead singer of The ROVERS who provided The ROCK for us to ROLL the night away.

We were honored to award \$1000 academic scholarships to two deserving high school seniors. Elizabeth Carroll and Caitlin Wood. Elizabeth is a Dedham resident who will be attending University of Massachusetts Amherst in the fall. She plans on pursuing a career in law. Caitlin Wood is a resident of Londonderry, NH, and will be attending the University of Florida in the fall. She plans on pursuing a psychology degree. Congratulations to both Elizabeth and Caitlin.

**PATH-WAY** is ready to embrace summer and we hope you will consider joining with us at our summer events. Our **Annual Picnic and Lawn Games** will be **Saturday, June 15th** from **11:00 to 3:00** at the Thomas Menino Park in Charlestown. The park is situated on the Charlestown waterfront across from the Spaulding Rehab Hospital.

Best,
